Just Cloud for Resellers was created with one goal in mind; to offer the most comprehensive and feature rich online backup reseller solution on the market.

Whether you are starting an online backup business or adding a new service to your company, Just Cloud is a perfect match.

Reseller Dashboard

Your Brand, Our Brand, Or Both.
Choose from Un-Branded, Co-Branded to a complete Re-Brand. You can choose to use our default branding or use your own logos and branding colors.

Setup your own custom plans
We have 3 template plans for you to choose from, or you can setup your own custom plans to suit your customers' needs, it's that flexible.
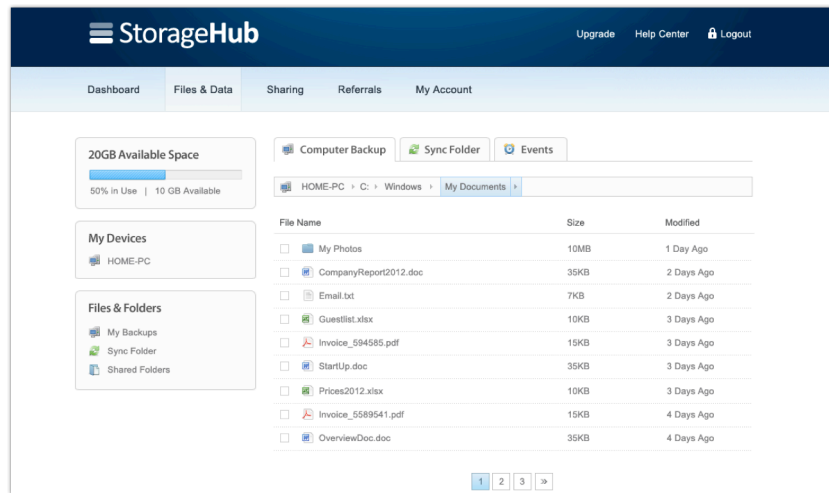

Easily Add and Manage Users
Setup new users in minutes with your simple and easy to use reseller control panel. You can monitor your customers' accounts and backup statuses.

End-User Web Management
Your customers can monitor their own account and get an overview of their backup status from their own web-control panel.
